led by Gen Nyingpo

Empowerment and commentary - April 24, 10.30am - 5pm
Guided Vajrasattva Retreat - April 25, 10.30am - 5pm

Like a sky free from clouds, by removing negative potentials from our mind, the natural purity of our mind will shine through. All the problems and difficulties we experience in our daily life, as well as obstacles to our spiritual practice arise from our negative karma. Receiving the blessing empowerment of Buddha Vajrasattva and engaging in special purification practices we can liberate our mind from negative karma and gradually enter a positive and fresh new world.
